Subdivision proposal in Lacombe Park area dealt with by Council

Council met with Mr. Neville Bothwell of B.A.C.M. on the proposed subdivision of a parcel of land, approximately ten acres, located at Leddy Avenue and Dawson Road, at the Committee of the Whole Meeting July 23rd. The application is for single family development of 47 lots and Mr. Bothwell wished to know council's decision on a revised plan for providing required public reserve as submitted by the builders, Springer Construction Ltd., whom he is serving as a consultant.

Two major considerations were dedication of a small one-acre plot and disposition of an old road allowance within the proposed subdivision.

Planner Wayne Gordon speaking on Phase three of Lacombe Park noted that the plan was basically trying to show accessibility of a one-acre community park on the south side of Leddy Avenue directly north of Linwood Crescent. Council had discussed park areas

adjacent to a school site and one other and Mr. Gordon stated that from the area in question there was a quarter of a mile plus to walk to get to any park space. He felt that, because of its size a pre-school recreation area would be desirable.

Mayor Gibbon stated that by a previous motion, the town should get one acre dedicated for park in some other area. He also noted that he was "not too impressed with the dead ends in the layout - three in a row is not logical to me".

Councillor deBruin however felt that the cut de sacs are good re traffic including skidoos and motor bikes. "They are safer and quieter and I would look for more of these, rather than through streets."

Councillor Fyfe said she was pleased to see this little park, and Councillor Hudson asked if it was to be a supervised lot. Parks superintendent Beidle thought yes - but perhaps not sup-

ervised, adding that this area is larger than some lot lots. Chairman Lukay asked if it was the intent to provide a fence to separate the area from the residences.

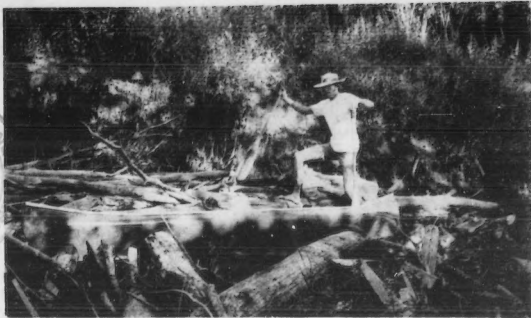

"Is there a park policy in this regard?" asked the planner, and was told by Engineer Mandat that it is policy to fence such an area abutting on streets but not on parks, except where it is a C.M.H.S. requirement, as in some cases. Councillor Lukay felt unless there was a fair size fence there would be complaints and "we should consider a fence now". Councillor Fyfe asked if the cost of a hedge would compare with a chain fence, but Mr. Beidle said a hedge would soon be flattened by the children, and he preferred a chain link fence as to maintenance and strength.

"I was under the impression that lot lots were objectionable" said Councillor Hudson. "In this approach are we having the same thing creep back in our plan now?" Councillor Thordson asked if the complaint was noise and Mr. Beidle said yes and larger kids hurting smaller ones. Councillor Thordson also felt this area (about an acre) could be treed and Mr. Beidle said "Yes - it is squarish".

Mayor Gibbon noted that there were also complaints that supervisors were needed in lot lots, and stated that he was concerned because "we now have a shortage of dedicated land, and this park is still out of the way from the remainder of the area". If a school site goes to the northeast, this park will not be that useful. Mr. Bothwell wondered if an absence of small parks reflects town policy and said he would like to see access for small children to such areas. "What is the policy on such a one acre site?" he asked.

Chairman Lukay was concerned because all park dedication is in one large area here - and would like to see a play area park. Councillor Thordson noted that when council discussed the reserve area, they did not

Continued on page 4.

There is a lot of channel clearing yet to be done on The Sturgeon River. Log jam shown is near the river crossing on secondary road 635 not far from the Black Gem Mine in Namao district. M.L.A. Ernie Jamison sent two members of the Gazette staff on a canoe trip last week to report back their findings. The logs here are overgrown with moss and appear to have been there a long time. The boys also said there were enough beer bottles in the area to make somebody rich. Another bad area encountered was near Villeneuve where a pile stripped at the gravel pit slipped into the river taking trees and underbrush with it and blocking the channel. AND OH! The Mosquitoes!! added the young fellows.

Mona Acker Resigns PSS Director Post

The Director of Preventive Social Services in ST. Albert since September 1971 Mona Acker has tendered her resignation this week and accepted a position with the School of Social Work, University of Saskatchewan in Regina. Mrs. Acker will assume her new responsibilities August 26.

Two years ago, when Mrs. Acker was hired by the Town of St. Albert to fill the PSS vacancy, she came from Calgary where she had recently obtained her Masters Degree in Social Work. Prior to that, in 1963 Mrs. Acker graduated from the University of California where she obtained her Bachelor of Arts Degree, majoring in Psychology.

Upon taking office in ST. Albert back in 1971 Mrs. Acker acquainted herself with the Preventive Social Services Board, the town at large and worked in harmony with the PSS Board assess-

ing the needs of this community. Through the assistance of ST. Albert educators, the clergy and public health personnel Mrs. Acker reports that the main areas of concern to surface were: Pre-schoolers; teenagers and marital-problem areas.

"Armed with this insight of my new community," Mrs. Acker said, "I proceeded to initiate programs in these areas of concern." Another weak local segment of the ST. Albert population was the one involving senior citizens Mrs. Acker said. She explained that many senior citizens living in ST. Albert required help with pensions, rent negotiations, applications for refunds and the such. "The PSS Board was quite active in helping our older citizens," Mrs. Acker said, "especially those whose children have moved away, those who live alone, are handicapped or have difficulty with complex forms

to fill out because of either an education or language barrier."

Mrs. Acker explained during the interview that her most effective method of communicating with the people of ST. Albert was on the one-to-one basis. This was most effectively accomplished she said by dropping in on merchants through out the town and informally chatting about local problem areas. Another effective avenue Mrs. Acker revealed was through various active local groups who indulged in open forum discussions, on areas of concern and ultimately came up with some solutions.

"A case in point," Mrs. Acker mentioned, "was the coffee-party discussion on the need for supervised play grounds in ST. Albert". Mrs. Acker explained that last year, members of the ST. Albert Women's Institute

Binkly and Doinkel coming from Mars

Binkly and Doinkel are landing in ST. Albert on the 13th of August, directly from Mars, we are told by the Town Rec. Department.

These little fellows do not know anything about how children live in ST. Albert and after they meet with Mayor Puppet they will be turned over to the children who will help them learn how to play and get around our town safely.

In order that all the kids can get to see them, they will be staying until Friday, August 17th and will visit playgrounds in every area. Each day they will be putting on a show at 10:30, on Monday at Mission Park rink area, Tuesday at Salisbury, Wednesday at Grandin rink, Braeside on Thursday and Lions Park on Friday morning. The show lasts about half an hour, after which there are handouts for the kiddies.

The Binkly and Doinkel puppet show is in the nature of a pilot project in safety

education, sponsored by the Federal Department of Consumer Affairs. Eight drama students, in their 2nd or 3rd year, are touring the show in western Canada in two teams of four. Puppets for the show were made by Norman Young who does the CBC T.V. show, Hi Diddle Day. The drama students did the script and do the staging and Binkly and Doinkel have been turning the kids on wherever they go.

One of the safety aspects given special emphasis is recognition of symbols required on labels of household chemicals by the Hazardous Products Act. Water and bicycle safety are also stressed. The show is designed for maximum interaction with kids, so that they feel they are part of it. After the performance each child attending receives an attractive Activity Book and a "Safety Expert" sticker.

Keep the dates in mind - August 13th to 17th.

St. Albert Hosts Regional Meeting

St. Albert town council hosted an executive meeting of representatives of all five municipal governments located on the immediate outer boundaries of the City of Edmonton Tuesday evening. The preliminary conference, held in the reception room of the curling club started with dinner at 7 p.m. Immediately following the meal, a comprehensive agenda was dealt with.

Present to discuss the many phases of a proposed regional study of all five municipalities attending the conference were mayors, Reeves, councillors and supportive professional advisors from the Towns of ST. Albert and Fort Saskatchewan, Counties of Strathcona and Parkland and the Muni-

cipal District of Sturgeon.

Uppermost on the agenda were terms under which all five centres may proceed in resisting the City of Edmonton's proposal to annex its neighboring municipalities. The proposal was recently submitted to the Hon. D. J. Russell, minister of municipal affairs by the City of Edmonton in an elaborate 92-page twin-phase pro-

pectus.

According to ST. Albert's Mayor Ray Gibbon, topics coming under discussion will include the feasibility of all five municipal governments working on a united front toward financing the execution of a regional study and using the study findings to safeguard each municipality's autonomy while planning for the future.

No Gazette next week

A reminder to our readers - and especially to the parents of the boys and girls who deliver the paper - that there will be no Gazette on Wednesday, August 8th, to allow staff who have not had holidays to enjoy a summer vacation. The office will be open Thursday of this week and from Tuesday through Friday next week for news and advertising collection for the August 15th issue.

JEANETTE FEIL - GARRY HALL

Feil-Hall Couple United In St. Albert Church

St. Albert Evangelical Lutheran Church was the scene of a lovely summer wedding, Saturday June 23, 1973 when Jeanette Marie, daughter of Mr. and Mrs. Elmer Feil, and Garry Nels, son of Mr. and Mrs. Robert Hall were united in marriage by Rev. R. O. Olson.

The bride looked radiant as she entered the church, on the arm of her father, wearing a gown of nylon tulle over taffeta. The gown was accented with a lace bodice, puffy sleeves and a long train. The elbow-length veil was held in place by a small cap of flowered lace. She carried a bouquet of deep pink roses.

Miss Pauline Belanger,

friend of the bride acted as maid of honor and Mrs. Joyce Read, cousin of the bride acted as bridesmaid. They wore identical gowns of white nylon featuring flocked pink flowers. They carried bouquets of mums and carnations.

Attending the groom as best man was Larry Berg, friend of the groom and Richard Feil, brother of the bride acted as groomsman. They were attired in oxford grey suits accented by black velvet lapels and white pleated shirts.

Mr. Patrick MacDonald, friend of the bride and groom and Mr. Ronald Feil, brother of the bride performed the ushering duties.

During the service Mrs. Esther Olson sang "The Wedding Prayer" and "Crown With Thy Benediction".

For her daughter's wedding Mrs. Feil wore a long gown of baby blue double-knit accented with a lace bodice and white accessories. Her corsage was of yellow sweetheart roses. The groom's mother wore a long gown of white polyester crepe featuring navy and white polka dotted sleeves and bodice. Her corsage was light pink sweetheart roses.

A reception was held at the Westmount Community Hall in Edmonton. Mrs. Shirley Berg, friend of the bride and groom was in

charge of the guest book.

The bride's table was centered by a lovely threetiered cake with pink roses.

Acting as a very capable master of ceremonies was Mr. John Bergstrom, friend of the bride. Mr. Walter Schultz, uncle of the bride, proposed the toast to the bride, Mr. Larry Berg, best man, proposed the toast to the bridesmaids and Mr. Michael Lawrence proposed a toast to the brides parents.

Open house and dance followed the reception after which the young couple left on a short honeymoon to Jasper. They are now residing in Edmonton where both are employed.

PREVENT FIRES BEFORE THEY START

Native education report released

Deputy Minister of Education, Dr. E. K. Hawkesworth, has announced the release of "Native Education", the report of the government task force on intercultural education.

The report focuses particularly on the educational needs of non-treaty Indians and Metis in the province.

The report recommends special attention to the educational needs of Metis, government support of cooperative educational ventures, and differentiated financial support.

Other proposals include selection and preparation of Native teachers and aides, use of Indian languages

for instruction, representation on governing bodies, and closer liaison among service agencies.

Since its appointment in 1971, the task force collected and summarized data to produce recommendations for government policies and practices on the wants and needs of cultural minorities.

Information on progress of Indian students in Northland Division was consolidated with surveys from other jurisdictions, and with opinions of leaders and in-

terest groups.

"Submissions made by the various native organizations to the Worth Commission, to the Provincial Cabinet and to federal agencies were included among the data sources".

A limited number of copies are available for distribution from H. A. Callihoe, Education Consultant, Department of Education, Edmonton.

Around Town

Misses Essie and Margaret McCartney are the guests of Mr. and Mrs. Norman Fleming of 12 Gresham Blvd. Mrs. Fleming's sisters come from Carrickfergus, Ireland, 12 miles from Belfast. They have visited Jasper and Banff and were much impressed with the mountains, and also took in some of the Calgary Stampede action. Both women are greatly taken with St. Albert and enjoyed a tour of the museum. They find the climate a lot hotter than they are used to in Ireland, and a friend of the family also of Irish extraction, suggested that they couldn't be referring to the political climate!

Bank of B.C. Looks For Alberta Site

Bank of British Columbia -- celebrating its fifth anniversary this month -- is studying sites for an Alberta branch which it hopes to open next year. It will be the first step in what Chairman Albert Hall calls "the march eastward." (The bank now has 22 branches in British Columbia, with three more to open by year-end), re-

ports the Financial Post. The Alberta move, however, will not be the first effort by the bank to expand its operations. This week, Hall opened an office in San Francisco. "This gives us an offshore window we didn't have before," he says. The branch will do wholesale international banking -- loans in U.S. and foreign funds, import-export financing -- but its longer range objective is to plug Western Canada into the money and exchange markets of the U.S. west coast. The branch is strategically located in the headquarters of the giant Bank of America. The new branch reflects Hall's interest in international banking. The Bank of B.C. has correspondent relations with at least 150 other banks around the world, including the Bank of China -- a representative of which last week cabled his congratulations on the BBC's new U.S. office.

St. Albert Oldtimer Dies at 77 Years

On Saturday, July 14, Mr. Philip Poloway who has lived in St. Albert district for more than fifty years, passed away suddenly at Sturgeon General Hospital. He leaves to mourn his loving wife Anne, son John, of Drayton Valley and two daughters, Stella (Mrs. Carl Sommers of St. Albert), and Mary, (Mrs. Clyde Preast) of Circleville, Ohio; one sister in Poland, a brother in the U.S.R.; 13 grandchildren and five great-grandchildren. He was predeceased by eight brothers. Prayers were said Tuesday evening by Reverend Father Hanekevych at Park Memorial Chapel and Requiem Mass was held Wednesday,

PHILIP POLOWAY

day, July 18th at St. Josephs Ukrainian Catholic Cathedral. Very Reverend B. Chopey and Reverend Father Hanekevych were the celebrants and interment followed in St. Michael's cemetery. Memorial dinner was served following the service at the St. Albert Community Hall.

Honorary pallbearers were John, Mike and Marlon Panchyshyn, Sam Prezonowski, Pete Charow and Pete Sernowski. Acting pallbearers were Ron and Gregory Prezonowski, John and Andrew Killian, Taras Ferbey and Stan Steture.

Mr. Poloway was born in the Ukraine in 1895 and migrated to Canada in 1911. He worked on the railroad in and around Sudbury for four years before deciding to come west to Edmonton, where he continued to work for the railroad until 1943.

He was called into the army, but did not see active duty. He bought farms in the Opal and Mundare districts which he rented out for years.

In 1921 he married Ann Panchyshyn and the couple lived in St. Albert until 1927,

when the present farm home, a mile and a half north of town was purchased. The couple celebrated their Golden Wedding on October 4th, 1971, when a large gathering of local friends and relatives met in St. Albert Community Hall to honour them.

Mr. and Mrs. Poloway always enjoyed visiting with their many friends, and especially their get-togethers with the senior citizens in the community hall, where they were members. His last duty for the club was to attend the Kinsmen Salute to the Pioneers in June, when he very ably represented the St. Albert senior citizens.

An enduring memorial of Philip Poloway is the magnificent stand of Spruce trees at the curve of the railway where it leaves the northwest edge of town. The trees were planted by Mr. Poloway near the couple's first home which was fashioned from two railway cars, a common practice for railroaders. They are now over 50 years old and are among others planted in the area by pioneers of the town and district.

Continued from page 1.

thoroughly discussed the supervised playground issue and from this open forum session came a recommendation to town council which resulted in four skating rink shack recreation playgrounds being operated this summer as additional supervised recreational projects.

Five funded projects in St. Albert have either been initiated by Preventive Social Services or just assisted along the way because some had already been functioning prior to 1971 through local volunteers. Mrs. Acker admits that such local services such as the Homemaker Service and the Mothers-Day-Out functioned effectively when she came on

the scene, however, during her tenure, she was not only able to assist these needed projects with direction but also brought these projects into the funded program scheme thereby obtaining provincial government assistance which amounted to many thousands of dollars. Also included in the funded program scheme, where the government pays 80 percent of the costs and town 20 percent, are the Day Care Society, Meals-On-Wheels and the Safety Council of St. Albert.

"You mustn't forget", Mrs. Acker pointed out, "that without a Preventive Social Services Director, a community cannot qualify for provincial government monies (80%) for its social

services projects."

When asked what were some of her most significant successes during the two years she was in St. Albert, Mrs. Acker replied that the most meaningful success is the Day Care Centre. "This facility has only been in operation for one term and already," she said, "there is a waiting list". Other successes, according to Mrs. Acker, include the production of a Community Directory, "done almost entirely by volunteers including Ken Wright who was assigned the project out of NAIT and printed by the Paul Kane High School".

On the other side of the ledger Mrs. Acker admits some of the projects initiated by her officer were not very successful and these include last year's LIP program which terminated this Spring and involved Pollution, Senior Citizens and Youth programs. Last year's Helpmate Project also fell short of success and this year's Youth Employment Service is encountering difficulties Mrs. Acker admits.

Before leaving for her new post in Regina Mrs. Acker will leave recommendations with the Interim PSS Board. When asked what

these recommendations would include she replied.

"That St. Albert promptly appoint a new PSS Director, appoint a freshly constituted board, up-date the needs of the community and consider more seriously Charette findings."

When asked if she left St. Albert feeling a certain amount of animosity toward certain persons, groups or the town itself, Mrs. Acker unhesitatingly said, "no I hold no grudges, I feel that my two years spent here in St. Albert were fantastic and I have gained good experience while here". She concluded by saying that she also appreciated "the co-operation and positive response of many people."

More Council

Continued from page 1.

exclude tot lots.

"It has been made clear" said Mr. Bothwell, "That policy of the town is for large areas, and we would be most interested in what direction we should go". Councillor Fyfe felt feedback from the Recreation Advisory Committee should be obtained before any policy was set.

Councillor deBruijn moved the discussion to the other concern - ownership of old road allowances in the proposed subdivision of this parcel, noting that the planner's recommendation was to abandon any claim to the road allowance land, approximately .5 acres, and let this "bonus" pass to Springer Construction. Mr. Gordon said a legal opinion is needed to determine whether the municipality or Springer Construction own it.

there are quite a few such road allowances out of date" said the Mayor. "and Mr. Gordon is right - a legal opinion is needed. So far as this .5 acre, I'm not that concerned - but I am concerned re future subdivisions. We do have a shortage of dedicated land for parks - particularly with regard to areas by schools". Mr. Bothwell said this particular road allowance had been provided for the express purpose of providing

Overheard at the office: "I'll tell you the kind of a man he is. When I first met him, I liked him ... but he talked me out of it."

access to the parcel being subdivided, by dedication, so should revert to the owners. "It was taken out at the time when Sturgeon School Division planned to develop a school site in the area, previous to the B. A. C. M. annexation" said Mayor Gibbon.

Councillor Fyfe moved that the plan as presented be accepted. Councillor Hudson moved an amendment "and any claim to the old road allowance be abandoned". Vote on the amendment went 5-1, Gibbon opposed as did the vote on the motion.

Mayor Gibbon moved that committee recommend to council that the matter of road allowances be referred to the town solicitor for a reliable opinion on their disposition in the future, which carried unanimously.

Councillor Hudson moved that staff prepare and execute a development agreement for the subdivision and that they initiate rezoning procedures, which passed 5-1 on the agreement (Lukay opposed), and 6-0 on the rezoning. Mayor Gibbon moved that rezoning must be approved in full before construction starts, which passed 6-0. Mr. Bothwell felt his client would agree and asked about the request for a waiver of the requirement that construction not commence until the plan is registered (which takes about six weeks).

Mayor Gibbon moved that this matter not be dealt with until the rezoning is approved, which carried 6-0.

War Resisters Granted Extension 60-Day

War resisters in St. Albert and surrounding areas should contact the Alexander Ross Society in Edmonton before September 30 if they wish to benefit from the federal government's new immigration legislation.

According to Tim Maloney and Dave Beauchene, National Immigration Program co-ordinators who have issued a news release Tuesday, thousands of war resisters now living in Can-

ada without landed immigration status are allowed 60 days to come forward and make application. The authors of the press release point out that the most important provision of the new legislation provides applicants the right to apply for and obtain legal status in Canada without fear of prosecution.

The National Immigration Program Co-ordinators urge St. Albert area war

resisters to contact the Alexander Ross Society in Edmonton, one of the nine regional offices located across Canada, anytime from August 1 to September 30. The Edmonton office is located at 10907 - Jasper Avenue, Telephone 424-4648.

The government of Canada will be compassionate for 60 days in view of the Immigration Appeal Board Act passed without warning last November which imposed the immigration freeze. The 60-day moratorium is in fact an amendment to the Act and its intent is to tidy up the immigration mess the Act created.

Despite the compassionate 60-day moratorium, those war resisters who fail to seek landed immigrant status during this period will forfeit their right to apply as well as appeal deportation. Thus, it is extremely important for all unlanded immigrants living 'underground' in Canada to apply during the 60-day moratorium period from August 1 to September 30.

Around Town

Louis Chartrand of Mount Royal Drive and Don Mills, local librarian; both came home from Legal's Fete au Village celebrations last weekend with money in their pockets. Mr. Chartrand won the \$1,000 ticket draw and Mr. Mills received a \$35 gate prize.

A short chat this week with Mrs. Barbara Meredith, administrative clerk of the Provincial Recreation Centre revealed that more lessees are expected

to be moving into the newly refurbished Mission Park School next week. They will be joining Sport Alberta who took over their quarters early in July. On Tuesday, work crews were seen busily hard-surfacing the parking area located West of the complex. Mrs. Meredith while commenting on the condition of the yard said that the landscaping tender has been awarded and this final phase will thus complete the entire project in plenty of time for the Grand Opening sometime in September.

Engagement

Mr. and Mrs. Alain Houle wish to announce the engagement of their youngest daughter Elane (Poune) to Michael Finley, son of Bernard Finley and the late Margaret Finley of Edmonton. Wedding to take place August 31 at Roman Catholic Church at 4:30 p.m.

Paper Bin

The paper bin will be at the back of St. Albert Roman Catholic church again this Saturday and Sunday for the convenience of residents. Please tie and bundle. The paper goes to Edmonton for recycling and proceeds in summer months support the work of the children's camp program, Camp Lacombe.

Cubs Knocked Out Of Provincial Playoffs

St. Albert Cubs were knocked from the provincial bantam baseball playoffs last weekend when they finished tied with Thorsby in games won and lost in a double round robin tournament, but with a poorer runs for and against average.

Cubs lost their opening

game of the series to Thorsby 10-2, then defeated Calder of Edmonton 17-8, Thorsby 4-3 and Calder 6-2.

Thorsby defeated Calder 14-1 and 3-0 in the other games.

Tied 3-1 in wins with St. Albert, Thorsby playing on home ground, won it on the strength of 30 runs scored

and only seven against. St. Albert scored 29 runs and had 23 against.

All the lopsided games came on Saturday. Sunday the fielding tightened up behind better pitching and the best ball of the tournament was seen, something a rather rowdy Thorsby crowd hardly seemed to appreciate,

as they hurled insults to umpires and opposing players and coaches.

Cubs were obviously nervous in the opening game Saturday and Thorsby took 4-0 lead in the second inning when they opened the inning with a single and after the next batter was out on an interference call, Cub starter Dave Shipanoff walked three straight batters and wild pitched home three runs.

Joe Tworek came on in relief and gave up a single for the fourth run before getting out of the jam, walks were also his downfall in the late innings, but all in all he turned in a solid relief performance. Shipanoff gave up two hits and three walks in an inning and a third and Tworek was touched for six hits and five walks. Tworek struck out six.

The second game was far closer than the 17-8 score indicated. Cubs, once down 4-0, got six runs in the fourth inning and another in the sixth for a 7-4 lead. Calder got two in the bottom of the sixth and tied it in the seventh to force an extra inning.

In the top of the eighth, Cubs finally got their bats going, pounding out six hits interspersed with four walks and an error, to collect 10 runs.

Terry Leddy got three hits in this game and Trev Parayko, Dave Shipanoff and Paul McCann each had two. Parayko went to bat 10 times opening day and was out only twice, collecting three hits and five walks. He scored four runs.

Leddy went the distance on the mound, giving up eight hits, walking seven and striking out 10.

Cubs came right back with Leddy in their opening game against Thorsby Sunday, and this time he was in full control. He gave up eight hits, but spaced them, and he walked only two. He struck out only three, but his mates picked off five base runners to aid his cause.

Cubs got two runs in the first inning, Thorsby came back for one in the third, then Cubs went ahead 4-1 in the top of the seventh. With runners on first and

third in the bottom half of the inning, Thorsby tried the steal on the first pitch. Cubs went to second, moving shortstop Steve Olsen into line for the cut-off. The runner on third went for home, Olsen cut the throw and fired back to the plate but the ball somehow got by Parayko.

Cubs were slow recovering and the second runner also scored in a close play at home plate.

Leddy got the next batter on a one-hopper to the mound, gave up and single, then snared a line shot right at his head to end the game.

For all intents and purposes, Cubs were out of it as they had to beat Thorsby

badly to win. They would have had to beat Calder by an impossible score to come close.

Shipanoff started against Calder and had an altogether different game, regaining the form he has shown all season.

He gave up only three hits, one a long home run that produced the two Calder runs, and didn't walk a batter, although he hit one. He fanned six and getting solid support from his mates, faced only 24 batters in the seven innings.

Other members of the St. Albert team are Dean and Dale Roy, Mark Tworek, Roy Galloway and Guy Randall.

Golden Jets Win Two - Lacrosse Semi-finals

The St. Albert Golden Jets won two games against the Beta-Well team in Senior Lacrosse semi final action last week and will play again tonight at 8:30 in Jasper Place Arena.

In the first game the score was 13-9 and Brian Pederson led the scoring with three goals. Barry Konkolas Lee Carlyle and Pat Niblett had two apiece, while Wally Munson, Peter Sonnen, Al Debata and Gerry Hunt picked up singles. Leading scorers for Beta-Well were Jim Good, Bob Allen, Jim Shelley and Bob Roberts with

two each. Jets led at the end of each period: 4 - 2 after the first and 11 - 6 after two.

The second game was closer with the Golden Jets managing a 10-8 win. Leading Jet marksmen were Wally Munson, Lee Carlyle and Mike Natzuba with two apiece. Pete Sonna, Al Debata, Barry Konkolas and Doug Parsons got singles. Bob Allen and Jim Good each had a pair for Beta-Well.

The score was 2-0 for Beta-Well after one period of play and Beta were

ahead 4-3 at the end of the second. Beta-Well led 8-5 until the 15 second mark of the third period when Jets came on strong with five unanswered goals in four minutes, 45 seconds. Al Debata got the tying marker at 17:45, and Mike Natzuba goal at the 18:09 mark proved to be the winner. Both these goals came while the Jets were short handed. Barry Konkolas scored the tenth goal at 18:43.

Jets goal tender, Larry Davis had three assists, all in the third period.

RECREATION HIGHLIGHTS

PLAYGROUNDS The town sponsored playgrounds at Mission Park, Salisbury Park, Braeside and Grandin Park will be closed on Monday, August 6th.

All children between the ages of six and 14 years are welcome at the playgrounds which are supervised from 10 a.m. - 12 noon and from 1 - 5 p.m. A varied programme of arts and crafts, games etc., is held with special events being held from time to time - the wicker roasts in Lions Park are especially popular. Even if it's raining the playgrounds are in operation - activities are carried on in the rink shelters.

During the week beginning August 13th the playgrounds will be visited in turn by a puppet show, sponsored by the Federal Department of Consumer and Corporate Affairs. The show is designed to make children aware in a very entertaining way - of the basic safety rules, from water and bicycle safety to the problems of the household chemicals products and dangers in the home. So parents, do make sure your children go to the playgrounds on the days the puppeteers are in attendance. The schedule is as follows: Mission Park on August 13th; Salisbury on the 14th; Grandin Park on the 15th and Braeside on the 16th and possibly Lions Park on the 17th and the performances will be from 10:30 - 11:30 a.m., on each day.

SWIMMING Openings remain in the Intermediates

and Senior classes being conducted during the session August 13-24 and there is room for one adult in the advanced class. Enquire at the pool about registering and make it soon - first come, first served.

On Saturday, August 1, a water show will be held at the pool from 1-3 p.m. - "Swim Fest '73" Skills and strokes will be demonstrated as well as aquatic activities in a lighter vein. Public swimming will follow the event.

A mile swim will be held at 9 a.m., on Saturday, Aug. 11th. Please register at the pool if you are interested in testing your powers of endurance - you'll never know till you try! All it costs is the usual admission fee and if the mile is finished within a certain time, a crest is available at a small charge.

Skin-diving equipment is allowed in the pool each Sunday evening from 9-10 p.m.

JOINT USE AGREEMENT Forms are now available at the office of the Recreation Department and officials of organizations wishing to apply for accommodation at any time during the 1973-74 season can pick them up, complete them and return them to the office. They will be dealt with when accommodation is being allocated and as far as the schools are concerned, this will be done as soon as the school requirements are made known.

The accommodation is made available under the terms of the Joint Use Agreement between the Town and the two School Districts. **TENNIS** Ladies morning is still underway from 9:30-11:30 a.m., when ladies can foregather at the courts and play without making arrangements beforehand - there is usually someone there to play with.

The Junior session held on Thursdays has been discontinued.

Irish Team Will Visit St. Albert For Field Hockey

On Thursday evening, August 9th a women's field hockey team from Ireland will be playing the Northern Alberta team at Leo Nickerson school. Games time is seven o'clock.

The Irish team, number-

ing 25 players, is expected to arrive in Edmonton August 8th to begin a three-week field hockey tour of Western Canada. The team, composed mainly of graduates of Strathmill College of Physical Education, will be spending five days in Edmonton, playing games and conducting clinics for players.

A mass clinic will be held for all members of the Edmonton Field Hockey League on Saturday, August 11th at 10 a.m. at Confederation Park. The Alberta team, winners of the national tournament for the past two years, will play an Irish representative team on Saturday evening, August 11th at 7:30 p.m. at Varsity stadium.

This match will be the first of three international matches scheduled for the Alberta team in Edmonton. They will be playing the New Zealand touring team on August 16th and the Australian team on Sept. 11th. The Irish team will visit Calgary, Kelowna, Vancouver and Victoria after their five-day stay in Edmonton.

St. Albert Going Well In Inter-club Tennis

The latest report on inter club play shows the St. Albert A Team in first place and the B1 team in second position. St. Albert now has seven A players who rotate in A games.

A team Clark Warren, Roman Murelka, Cynthia Sage and Judy Wood tied Garneau 4-4, and a team Clark Warren, David Kirk, Cynthia Sage and Shannon Foran, defeated Glenora 6-2. A finals in the 3-club competition will be played in August 20th, with teams not yet determined. The B1 team (Angela Miller, Alexandra Kincaid, Brian Mansfield and Dolf Rykes) tied Fort Saskatchewan 4-4 and their 2nd place in the 9-team league qualifies them for the semi-finals to begin August 13th. The B2 team (Bob Sage, Lorne Wood, Sandy Warren and Ann Kirk) lost to Glenora 3-5 and to Fort Saskatchewan 0-8 and are now out of the playoffs.

The final novelty doubles of the season took place last Wednesday, and once again there was a good turn out of members. There were 20 players and Alexandra Kincaid was the women's

winner and Dolf Rykes won for the men. The novelty doubles was followed by a social gathering hosted by Mr. and Mrs. Sage.

Supervision by senior club members of the Thursday morning will be discontinued due to a poor response from junior players, however, junior members are still invited to play on Thursday mornings.

Six junior club members will be entering the Provincial Tennis Championships which will be held in Red Deer this week, there will

be some members of the St. Albert Tennis Club entering the Provincial Tournament held in Calgary on the 4th and 5th August. There will also be a tennis tournament held in Lethbridge on the 11th and 12th of August.

Club members are reminded about the club tournament which will be held on the 25th and 26th of August, and for those members wishing to get their entries in early they should contact either Roman Murelka, 459-3901 or Lorne Wood, 459-8696.

Thirteen Rules for the Witless or How to Succeed Without Talent

1. Study to look tremendously important.
2. Speak with great assurance—sticking closely, however, to generally accepted facts.
3. Avoid arguments, but, if challenged, fire an irrelevant question at your antagonist and intently polish your glasses while he tries to answer. As an alternative, hum under your breath while examining your finger nails.
4. Contrive to mingle with important people.
5. Before talking with a man you wish to impress, ferret out his remedies for current problems. Then advocate them staunchly.
6. Listen while others wrangle. Pluck out a platitude and defend it righteously.
7. When asked a question by a subordinate, give him a "have you lost your mind" stare until he glances down, then paraphrase the question back at him.
8. Acquire a capable stooge, but keep him in the background.
9. In offering to perform a service, imply your complete familiarity with the task—then give it to the stooge.
10. Arrange to be the clearing house for all complaints—it encourages the thought that you are in control and enables you to keep the stooge in in place.
11. Never acknowledge thanks for your attention—this will implant subconscious obligation in the mind of your victim.

Nashville young people will conduct services

A team of 26 Christian young people from the Two Rivers Baptist Church of Nashville, Tennessee, will arrive in St. Albert next Tuesday for a series of youth-led evangelistic services.

Sponsored by the First Baptist Chapel, the services to be held in the Assembly Room of the Sir George Simpson School at 7:30 - nightly, August 8-12, are open to the general public.

Features of the services are gospel solos, duets and ensembles by the youth; dynamic keyboard renditions and selections by Mack Moore, the minister of music and youth for the Two Rivers Church; personal testimonies by the team members ranging in age from 15 to 23; and the in-

spirational preaching of Youth Evangelist Tommy Davidson, student from Sanford University in Birmingham, Alabama.

In addition to the evening services, the Nashville group will serve on the staffs of two Vacation Bible Schools beginning simultaneously on Wednesday, August 8, in the Leo Nickerson and George Simpson Schools for all children from age four through Junior High.

Pastor Herb Giffin announces four departments in each VBS: namely Preschool Grades 1-3, Grades 4-6, and Junior High. A varied curriculum is planned for each age group, including crafts Bible stories or studies, songs and music, puppetry, recreation, refreshments, and other enjoyable activi-

ties. There will be no charge although cookies would be a welcome donation from parents.

"The purpose of the Bible Schools and the evening services is to provide a meaningful program of activities for the residents of St. Albert, supplementing the

other fine activities scheduled by a number of community groups this summer" states Mr. Giffin.

"Adherents of other churches are welcome to participate without fear of solicitation or proselytism," he adds, "in order that all may enjoy these unique activities

Sharon Chamney married

On June 20th, Sharon Chamney exchanged marriage vows with Robert Alexandrovich. Sharon is the daughter of Bertha and Edwin Chamney of St. Albert, and Robert is the son of Mary and Fabian Alexandrovich of Glenwood, Alta.

The meaningful double-ring ceremony was performed in St. Albert Roman Catholic Church, by Father Colin LeVangie at an evening mass. Folk-mass music was provided by Peter Byl's Band, consisting of Peter Ray LeBlanc, Mike Bachand, Darryl Tate, Allen Tulloch and Hans Commander. Vocalists were June Berle, Colleen Sheehan, Debbie Kremer, Helen LeBlanc, Joan McQuitty, and Sylvia LeBlanc. The bride's brother, Neil Chamney, sang the communion song entitled "My Sweet Lord". The readings were given by Mr. John Reive, brother-in-law of the groom, and Dennis Chamney.

Coming down the aisle on the arm of her father, the bride looked lovely in an empire waist gown of white sheer nylon, lavishly trimmed with scalloped lace and beadwork. The long veil and train were trimmed with matching lace and held by a lace capelet. She wore a gold necklace, gift of the groom, and carried a cascade of red roses.

The bride's attendants were Matron of Honor Mrs. Terry Cyr, and Mrs. Marybeth Dixon, bridesmaid, Mary Ellen Chamney was

junior bridesmaid with Lori Chamney as flower girl. The bridesmaids wore alternating pink and blue gowns. They carried crescent bouquets of white and yellow carnations.

Attending the groom were Cal Agnoo, brother-in-law of the groom as best man, Wayne Chamney and Neil Chamney as ushers. Twin nephews of the groom, Brian and Richard Reive acted as ring bearers. The groom and attendants wore white brocade tuxedos trimmed with black.

To receive their guests, Mrs. Chamney chose a gown of pink polyester crepe with matching coat and silver accessories. White lace gloves and a white orchid corsage completed her ensemble. Mrs. Alexandrovich wore a sleeveless light blue

embossed tulle gown complemented by a white orchid corsage and white accessories.

Following the ceremony a dance and smorgasbord banquet was held in the church hall. Music was provided by Mr. John Paselka's orchestra with Mrs. Paselka as vocalist. Mr. Morley Brown acted as master of ceremonies. The toast to the bride was given by Mr. Frank Dolphin.

Out of town guests were numerous, coming from Vancouver, Saskatoon, Winnipeg, Lethbridge, Calgary, Red Deer and points far and near. Among these was the bride's 85 year old grandmother, Mrs. Mary Bourgeault of Saskatoon, Sask. The newlyweds will make their home in St. Albert.

Bon Accord offers Ambulance Service

Over the past two months St. John Ambulance members stationed in Bon Accord have been operating an 'emergency call out service'. This service, giving emergency first aid and home nursing to the residents of Bon Accord and district is available 24 hrs. a day, seven days a week. Its effectiveness has been tested more than once both in real situations and controlled simulations.

It must be emphasized that the service is available to anyone at anytime. The need for the divisions services need not be of a disastrous nature, call us, and we will be glad to help. The service is only a phone call away and the numbers to call, until the

10th of August are as follows: Days 298-3960, 7 a.m. to 10 p.m. Nights 298-3659 10 p.m. to 7 a.m.

After the 10th of August there will be only one emergency number to call 24 hrs. a day. This new number will be published as soon as possible.

The division is also available for duty at sporting events, fairs, or any function where there may

be a need for first aid. A note to the organizers of such a function, especially the ones connected with events scheduled for the winter months, a simple phone call or letter to Nigel Mansfield, Box 68 Bon Accord or to St. John Ambulance, 10055-110 St., Edmonton, Alberta, 424-7256 will be all that is necessary to ensure coverage.

Bon Accord News

Regular Sunday services at Bon Accord United Church will start Sunday, August 5th at 9:00 a.m. Rev. Harold Black, the new minister will officiate and everyone is welcome. Sunday school will start in September and the date will be announced later.

Bon Accord Community Centre presents the 5th annual Bon Accord Horse Show August 12, 1973 at 9:00 a.m. at the Bon Accord Skating Arena. Open to all ages; Halter, performance, Gymkhana and fun events. For further information phone 298-2163 or 298-2270. Entry forms may be obtained from the following locations: Bon Accord Store and Hotel; Johnny's Store, Namao; Saligo's Service Station, Namao; Bev Hood, Gibbons; and Russel Pawluk, Legal.

Bantam Girls Fastball
Bon Accord.

Saturday, July 21st, Bon Accord hosted the provincial bantam girls fastbal playoffs for the Northern Zone of Alberta. Three teams took part in the play-

offs: Kellough Kolts from St. Albert; Beacon Heights from Edmonton and Bon Accord.

Bon Accord won their first game against the Kellough Kolts, but were eliminated after losing out to Beacon Heights in their next two games. Beacon Heights will be hosting the next series of playoffs on August 4th and 5th.

The girls on the team and their coaches Keith Witson and Leon Gervais would like to thank the Bon Accord spectators who turned out to support them. They'll be back next year, ready to put up a good fight.

Philip Terreaux of Villeneuve with his 3rd place calf at the 4-H Achievement Day.

Legal Locals

Debbie Mercier, Lucy Montpetit and Jeanne St. Arnaud hosted a miscellaneous shower for Bernice Mercier on July 18 at the Legal Community Hall.

The hall was beautifully decorated for the special occasion.

Seated at the head table with the honored guest was her mother Mrs. Robert Mercier, her grandmother Mrs. Philippe Mercier, Mrs. Henry Montpetit mother of the groom and Mrs. Leonard Blanchette replacing Mrs. Lucia Montpetit grandmother of the groom who could not attend.

Some one hundred friends and relatives enjoyed the evening and the fun games played.

Bernice received many beautiful gifts and thanked everyone in very well chosen words. Special thanks went to the hostesses for organizing the shower in her honor.

A delicious buffet lunch was served to conclude the evening.

Bernice will exchange marriage vows with Martin Montpetit on August 11th in St. Emile's church.

Natural Gas Flowing To Rural Consumers

For many years, Albertans have had the frustrating experience of witnessing billions of cubic feet of natural gas exported to serve centres in the United States and eastern Canada without having the benefits of this convenient fuel made available to them. With the advent of plastic pipe, it became feasible to extend natural gas service in rural areas in much the same way as rural electrification has introduced electrical utility service to these areas. With the proliferation of gas transmission lines and other gas sources throughout the province, it finally became a possibility that gas service could be extended to most of the estimated 40,000 farms and 42,000 other rural households in Alberta who are presently not served.

In 1972 the Government placed a freeze on rural development and launched a province-wide feasibility study with a view to investigating the most logical way to accomplish this objective. It had already become evident that in order to serve the largest possible number of rural residents, it would be necessary to extend the boundaries of the distribution systems to include residents who were remote from gas sources. To this end, one large co-operative was permitted to proceed on an experimental basis, the Ste. Anne Gas Co-op Ltd., in the Onoway-Sangued area, north-west of Edmonton. While the average rural distribution system up to that point had had an average of less than one hundred customers, with some having as little as two, Ste. Anne Co-op offered service to over eight hundred potential customers. It involved the laying of about 350 miles of plastic pipe, and pioneered in the plowing in of aluminum pipe for higher pressure service. The lessons learned in this major experimental venture are now being made available to other areas of the province.

In April, 1973, Hon. Roy Farran, Minister of Telephones and Utilities, introduced a position paper outlining the terms and conditions under which rural gas distribution systems would be permitted to proceed. The Provincial Government will assist, by grant, up to a maximum of \$900 per farm customer, those distribution systems which can be built for a maximum capital construction cost of \$3000 per individual farm service, based on 80% acceptance of service. This meant that farmers could not obtain gas service in most areas of the province for a maximum investment of \$700 for capital construction costs, 85% of which could be covered by guaranteed loans payable over a 10 year period.

A section of the Department of Telephones and Utilities has been set up to perform the function of purchasing gas for these rural distribution systems at an equitable price.

Hon. Roy Farran, minister of telephones and utilities is shown opening a control valve in the natural gas network in the Ste. Anne Gas Co-operative, located West of Edmonton.

CFB Commander Posted

Colonel W. M. (Slim) Houser, Commander, Canadian Forces Base Edmonton, will be posted to Ottawa early next month.

Colonel Houser, who has held his present appointment since July, 1971, will attend the Ottawa Language Centre. He will be succeeded by Colonel L. V. Johnson, a recent graduate of the National Defence College, Kingston, Ont.

Colonel Johnson is no

stranger to Edmonton, between 1961 and 1963, he served as a pilot for 435 Transport Squadron.

An official change-in-command ceremony will be held at Namp, August 2, commencing at 11 a.m. The public is invited to attend. Music for the parade will be provided by the newly formed Alberta-Northwest Mounted Police Centennial Militia Band.

SPRUCE GROVE

The Village of Legal float in red, white and gold marking the RCMP Centennial was also an entry in K-Days parade. The six candidates for Miss Fete au Village add to the eye-catching appeal.

The Village Hairstyle float was one of the winners in the Fete au Village parade Saturday morning and provided many a laugh for the large crowd lining the streets. The village really excelled itself this year, coming up with a parade that would have done credit to a community three times the size.

9th Fete au Village comes up best ever!

Legal was blessed again this year with the most favorable weather for their weekend festivities Fete au Village.

The 9th annual Fete au Village celebration was bigger and better than the previous years. Thousands of people milled through the grounds both days taking in all the enjoyment and fun of a small fair.

With the sun shining every one was wearing a "Smile and got in the mood early

by attending the street breakfast and enjoying the delicious flapjacks ala Canadienne, then they lined the streets for the gigantic parade.

A tremendous amount of work and effort was put in to produce such colorful and attractive floats. Judges Bruce Murray, Dr. MacDonald and Gordon Corss found their task very difficult but came up with four winners.

First prize went to the

Vimy 4-H Needle Club, The Chateau Sturgeon came in second while Citadelle Motors had third prize. Louis's Hairstyling won for the most original.

The pancake eating contest was a well received attraction in the arena Saturday, some 20 youngsters ranging from the age of 9-15 entered the contest and Daryl St. Martin was the winner of a lovely trophy presented to him by Lyle Frithart last year's winner.

The adults had fun challenging Jerry Krauskopf (last year's King) but were all defeated by Jerry and he kept his title for another year.

The largest family on the grounds plaque went to Mr. and Mrs. August Courseaux and their six children.

The \$24 gate prize was won by Don Mills from St. Albert.

The Beer Gardens and Cabaret was a tremendous success with a packed arena to live it up in the evening to the music of the Satellites. Sunday was another beautiful day and things got rolling early.

At 1 p.m., people jammed around the demolition jet to see "action". Action it was with all the roaring engines and the cars bumping one another. Denis Landry (Legal Motors) took the trophy and \$40 for the first prize and Hector Painehead came in second with a tro-

phy and \$20.

On Sunday the largest family plaque was awarded to Mr. and Mrs. John Zilinski and their eleven children.

The Royal Punch and Judy Show was a very special attraction that the kiddies enjoyed.

Some 86 students from Quebec who are at the College Universitaire St. Jean and forty elderly people from the east touring Alberta and B. C. came and enjoyed the good Western hospitality. The Easterners were very impressed with our festivities.

The winner of the \$25, gate prize went to Mrs. Gabriel Tieulle.

The Bob Lang show that ended the celebrations was a lively one with comedy magic acts, with Don Chiles and emcee Bob Lang, songs by Pauline Labelle and the lively music of My Sisters Reputation (Razzmatazz Band).

To conclude two perfect days the display of fireworks was simply beautiful.

We enjoyed having all of you with us and we hope to see you again next year.

The recreation board would like to thank everyone who helped in anyway making our Fete au Village the success it was. True community spirit and cooperation reigned for celebration.

Miss Fete au Village 1973 (Lorette Kieser) picked Mr. Louis Chartrand's lucky ticket Sunday evening making him the winner of \$1000.00 at Legal's summer fair. When Mr. Chartrand was told, very surprised, he replied "Oh no no no". He said he had bought only one ticket from Denis (Red) Pelletier. Both men are employed at Roger's Esso in St. Albert. "We have just bought a new home and this money will go towards buying new furniture," he said. Mr. and Mrs. Chartrand and family live in St. Albert.

VILLAGE OF LEGAL PROCLAMATION

By virtue of the authority vested in me pursuant to Section 237 of the Municipal Government Act being Chapter 246 R.S.A., as amended, I hereby proclaim Monday, August 6, 1973 to be a civic holiday in the Village of Legal.

Dated at Legal this 25th day of July, 1973.
Leon St. Martin, Mayor, Village of Legal

CARD OF THANKS

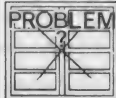

We would like to express our sincere thanks and appreciation to our many relatives and friends whose kind expressions of sympathy meant so much to us in the loss of our dear Jo-Anne.

A special thanks also to the ambulance driver, the ones who helped at the scene of the accident, especially Mrs. Kremer, Father Joly and the staff at the hospital who were so kind to our family.

The beautiful choir at the three masses, as well as the many friends who so generously donated and made the lovely luncheon for the funeral. Also for the beautiful floral tributes, donations for Masses, and the Crippled Children's Fund.

The Allan Keanes.

TUNE-UP SPECIALISTS

Lorette Kieser named Mlle Fete au Village

Mlle Fete au Village 1973 Lorette Kieser was crowned by last year's Queen Margo Montpelt at the bandshell Saturday evening.

The contest was very interesting. Rita Larose, emcee in charge explained how the girls were judged and introduced judges Mrs. Jim Spears who is teaching at Horse Hills, Mr. Carl Royan recreational director for the M. D. of Sturgeon and Mr. Hilarie Fortier, teacher at Laurier Picard, and President of V.A.C.F.A. for the Edmonton region.

The guest entertainers

were some of the youngsters who attend the playgrounds everyday.

Supervisor Rita Larose and Debbie Mercier had composed several songs appropriate for the occasion.

While the judges were tabulating the points Miss Congeniality was announced. The girls had voted among themselves and the winner was Grace Zilinski who received a bouquet of red roses donated by the Grandin Flower Shop in St. Albert.

The girls all did very well and the judges found it very hard to choose. Tension was mounting and finally the judges had reached a decision. Rita announced the runner up as Sharon Pelletier who received a pendant donated by Fashion Accessories, Westmount, and a five dollar gift certificate from Woodward's, Westmount.

Mlle Fete au Village received a beautiful piece of luggage from Simpson Sears a desk set and \$25.00 from the Legal Recreation Board and \$25.00 certificate for Revlon make-up from the Bay and a bouquet.

The runners up all received a gift from Revlon and picked an envelope and received a gift described inside. Gifts were pair of slippers, donated by Hutchings Shoes in St. Albert; a medium pizza at Sir Arthur

The summer playground program is underway again. Supervisors Rita Larose and Debbie Mercier reported having a very busy week for the leadership course held at Pembina Camp last week. They said the sessions were very interesting and instructive. The youngsters were anxious to go back to the centre on Monday. The turnout has been very good since the project started.

Interesting displays of arts and craft made by the children are on display at the centre at all times. Those of you who visited the tea room at Fete au Village must of seen the front wall decorated with a variety of pictures drawn and painted by the young artists.

Steak House in St. Albert; and engraved Legal coffee spoons, courtesy of the Legal Recreation Board.

Congratulations to the winners and to all the girls for their fine performance, also many thanks to Rita Larose for all the work she put in to organize the contest and special thanks to all those who donated gifts.

LEGAL

Mr. and Mrs. Albert Stack from Vancouver B.C. arrived in Legal Friday evening to visit Mrs. Kathleen St. Martin and other relatives in the district. They also enjoyed Fete au Village where they renewed old acquaintances.

The Associate Medical Clinic will be closed on August 3rd only.

Rick's Beauty Salon will be closed August 6 to 10th.

Claude Maurier received \$50.00 for his efforts in selling the most tickets on the gold brick for the raffle at Fete au Village.

The second swimming course started Monday with another full bus travelling to Edmonton daily for the children's lessons.

LEGAL LOCALS

The children were very proud to display Herman the Monster standing about 6 feet, in front in the tea room. They worked very hard to make it and were extremely happy with the results. They showed creativeness and imagination in the making of Herman. If you have a few hours to spare why not bring your child to the playground, you could help the supervisors and see the wonderful work that youngsters are doing.

Remember there is no charge to send your children and that they are free to come and go as they please.

The playgrounds are open Monday to Friday, from 10 a.m. to 4 p.m.

Expressions of sympathy are extended to Mr. and Mrs. Allan Keane and family upon the loss of their dear daughter Jo-Anne who passed away on July 16 at the

age of 14 years, also to Miss Rose Boudreau who is mourning the loss of her brother - In-law Alphonse Gamme from St. Paul, who passed away July 27.

Has your child brought back home from the playgrounds a Lloyd's Black transistor radio or a pair of orange bloomer panties with white polka dots for a sunsuit? Be!ag aware it doesn't belong to your child it would be greatly appreciated if you would return the articles to Mrs. Rodney St. Martin, Ph. 559-3795 after 6 p.m., or return them to the supervisors at the playgrounds.

Mr. and Mrs. Harold Rockwell, Grand Mrs. Fred Leevillard and Mrs. Dolores Robitaille from Rhode Island visited with the Le-courneau families and enjoyed the Fete au Village festivities.

Municipal District of Sturgeon No. 90

BY-LAW #184-73

Restricting the discharging of Guns and other Firearms

By-Law #184-73, being a by-law of the Municipal District of Sturgeon #90 of Morinville in the Province of Alberta, authorizing the Council to prohibit the discharging of guns or other firearms:

A) on all highways, roads and road allowances, streets, lanes or other public places under the jurisdiction of the Municipal District of Sturgeon No. 90;

B) on private property and from or over occupied land by any person other than an occupant of those lands, without first obtaining the permission in writing of an occupant of those lands as hereinafter provided - said prohibition, is to be effective throughout the Municipal District of Sturgeon No. 90.

WHEREAS "Highway or road" used herein means land used or surveyed for use as a public highway or road, and includes any thoroughfare, street, road, trail, avenue, parkway, driveway, viaduct, lane, alley, square, bridge, causeway, tressellway, or other place any part of which the Public is ordinarily entitled or permitted to use, as defined in the Highway Traffic Act; and

WHEREAS "Public Place" used herein means any place to which the public have access as a right, or by invitation, express or implied as defined in Section 138 of the Criminal Code of Canada; and WHEREAS Section 169, Subsection 3 of the Municipal Government Act of the Province of Alberta, vest in the Council of the Municipal District of Sturgeon No. 90 the control and management of the public highways, roads, streets, lanes, alleys, bridges, and other places as defined in the Highway Traffic Act of the Province of Alberta; and

WHEREAS Section 150 and Section 152 of the Municipal Government Act authorizes the Council to pass by-laws for the regulation of any matter pertaining to the protection of life or property, or to pass by-laws prohibiting the discharge of guns or other firearms in any specified part or parts of this Municipality

WHEREAS PERMISSION IN WRITING SHALL CONTAIN THE FOLLOWING:

- The names of those individuals to who the permission is granted.
- The date on which the permission is granted and the length of time for which the permission is valid.
- The legal description of the occupied land for which the permission is granted.
- The signature of an occupant of the occupied land.

Any person, other than an occupant, who has discharged a gun or other firearm, upon, from or over occupied land, shall immediately, upon order of a peace officer, produce the said permission in writing, and any person who fails, neglects or refuses to produce the said permission in writing, to a peace officer is guilty of an offence under this by-law.

THEREFORE, pursuant to the authority vested in it by the Municipal Government Act, Chapter 246 RSA 1970 and amendments thereto and under By-Law 184-73, the Council of the Municipal District of Sturgeon No. 90 enacts the aforementioned and as follows:

A) That pursuant to the provision of the Highway Traffic Act of Alberta, the Municipal Government Act of the Province of Alberta, and the provision of the Criminal Code of Canada, the discharge of guns or other firearms as defined by the Criminal Code of Canada on highways, roads, public places private lands or occupied lands within the Municipal District of Sturgeon No. 90 is hereby prohibited unless authorized by written permission of the land occupant.

B) That any person who commits a breach or violation of By-Law #184-73 is guilty of an offence and is subject to the following fines:

- For a first offence, to a fine of not less than Fifty (\$50.00) dollars; and
- For a second and subsequent offence, to a fine of One Hundred (\$100.00) dollars; and
- In default of which the person is sentenced to imprisonment in the nearest common goal for a term not exceeding Sixty (60) days.

C) That all fines imposed pursuant to By-Law #184-73, shall be paid to, or over to the said Municipal District of Sturgeon No. 90 for the benefit of same.

D) That this By-Law #184-73 shall come into full force and effect upon third and final reading thereof. Council duly assembled in the Council Chambers, Municipal Office at Morinville, Alberta.

First Reading this 12 day of July, 1973.

Moved by Council: **MOTION CARRIED.**

The Council of the Municipal District of Sturgeon #90 has given first reading to the above noted by-law and is inviting the residents of the Municipality to present their views (for or against) at a public hearing to be held in the Municipal Office at Morinville on August 16th, 1973 at 8 p.m.

Alphonse Nobert, sec. treas.

Morinville R.C.M.P. Changes Command

CPL. HOWARD LAMB

Friday afternoon July 27 the "Official Change-Over" took place whereby Cpl. Howard Lamb took charge

of the R.C.M.P. Detachment at Morinville, replacing Cpl. Marv Shepherd who has been transferred.

In his eighteenth year as a member of the Royal Canadian Mounted Police, Cpl. Lamb comes to Morinville from Vegreville where he spent five years.

Born in Calgary, Cpl. Lamb joined the R.C.M.P. there on November 15th, 1955 and has served in a number of areas since that time. Three years at Cloverdale, B. C. preceded seven years of being posted

throughout the North West Territories and the Yukon. During those seven years Cpl. Lamb served at such places as Fort Smith, Coppermine, Fort Providence, Whitehorse, Lake Harbour and Carmaux.

A two year posting at "G" Division Headquarters in Ottawa, and then the five years with the Vegreville Municipal has brought Cpl. Lamb his latest post - Morinville.

During Cpl. Lamb's three years at Cloverdale, he met and married his wife,

Janice, who's hometown is Langley, B. C.

Janice and Howard Lamb now have three daughters; Debbie - 11 years, Patty - 9 years, and Judy - 4 years. Involved with swimming, figure skating, guides and brownies, the girls are anxious to make new friends and get into "the swing of things" at a new school. Judy will be five years old in early August and is clearly hoping to be able to join the Morinville Kindergarten Class this year.

Both Cpl. and Mrs. Lamb enjoy curling as a favorite sport, and as they say "we like people". The Lambs will be taking annual leave from August 4th to August 20th, and when they return, will be very anxious to move into the new home that is being completed for them on Frontenac Avenue in Morinville.

Once the roof of moving getting acquainted with the new detachment etc., is over the Lambs express the hope that they will soon be able to meet all "the folks" in Morinville and become part of the community.

Cpl. Lamb states that he has been here such a short time (only 6 days) that it is virtually impossible to say just how things are shaping up, as he is still acquainting himself with the routine etc. He does say however, that he "has always tried to be a fair person". People make or break a community," says Cpl. Lamb, "and I really welcome any chance to get to know the community and its people".

The Town of Morinville is indeed proud to be able to have the International Choristers pay a visit.

International Choristers To Visit Morinville

Flo McGinnis
On Wednesday, August 15th, at about 6 p.m. there will be 27 buses arriving in Morinville. In these 27 buses will be the International Choristers, a group of 1200 people, who are coming to Morinville for a "Barbecue Picnic", and an evening of fun, and relaxation from their very full tour of concerts in Alberta.

Once a year the International Choristers meet somewhere in the world, and for 1973 they chose Edmonton!

During their stay, their itinerary includes concerts

in the Jubilee Auditorium (Mon. Aug. 13th; Thur. and Fri. Aug. 16 and 17th) at the University of Alberta (Tues. Aug. 14th) and the final concert to be held at Banff on Sunday, Aug. 19th at 8:30 p.m. Their concert at the Jubilee Auditorium on Aug. 13th will be complete with the Edmonton Symphony Orchestra.

With this heavy schedule the Choristers have to take at least one evening off to relax and really enjoy their trip. Therefore, the Morinville Parish Council has arranged a special "Barbecue Picnic and evening of fun" for the group. The supper will be held in the Morinville arena, with the parishoners doing the cooking and all the work. It may be possible however, that after about 9 p.m.,

some of the local residents could join the group to mix with and meet some these visitors. It is plain to see that feeding a group of 1200 will be a job in itself, but there are many residents of Morinville and district who may know some of the Choristers, or even be from their hometown.

Of the 1200 International Choristers, 250 are from Europe, being mainly from Belgium, France and Switzerland. Then of course there are groups from all ten provinces of Canada too! It was the Edmonton group that initiated the idea of a "picnic" for the "evening off" for this very renowned group.

The Town of Morinville is indeed proud to be able to have the International Choristers pay a visit.

Calahoo Babies

by Liz McLeod.
David and Doreen Quintal of Calahoo are so proud of their new daughter, Terry Lynn, weighing 6 lbs. 13 oz., born in Whitecourt hospital June 30th. Terry Lynn is a most welcome sister for Timothy. Mr. and Mrs. Hubert Quintal and Mr. and Mrs. Andre Bodder are happy grandparents.

Ronnie and Roseanne Quintal of Calahoo are the very proud parents of their first born son, Darcy Ronald weighing 7 lbs. 7 oz. and came into this world on July 14th. Armand (Blackie) and Mary Quintal are proud of their grandson.

Erwin and Phyllis Rothwell of Calahoo are also receiving congratulations on the birth of their wee son, Clay Vine, weighing 7 lbs 14 oz. and was born on July 12th. Mrs. Emma Rothwell and Mr. Jack Letendre are very proud grandparents also.

Congratulations to all three sets of parents.

Secretary to Boss: "I've taken all the criticism of my work that I'm going to take. How do you spell "quit"?"

"Why is it," wondered the first stenographer, "that nobody gives the groom a shower?" "Well," suggested the second, "he's all washed up anyway."

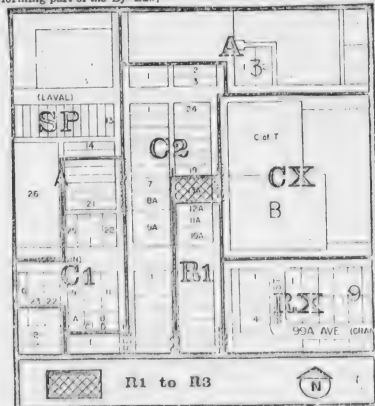

Two can live as cheaply as one, only now it takes both of them to earn enough to do it.

Town of Morinville PUBLIC NOTICE

Public Notice is hereby given that the Council of the Town of Morinville proposes to pass a by-law to amend By-Law 1/72, being the Zoning and Building By-Law of the Town of Morinville.

The proposed By-Law 8/73, will authorize the Council of the said Town of Morinville to amend By-Law 1/72 as follows:

That Lot 13A, Block 1, Plan 6164RS in NW 34-55-25 W4th be rezoned from Class R1 - Residential Single Family to R3 - Residential Multiple Family as shown in the sketch plan below forming part of the By-Law.

A copy of this By-Law 8/73 may be examined between the hours of 9:00 A.M. to 5:00 P.M. at the office of the Secretary-Treasurer.

A public meeting will be held in the Town Office at Morinville on the 28th day of August 1973 at 8:00 P.M. for the Council to consider any objections, recommendations, and/or complaints pertaining to these proposed amendments.

Paul E. Brochu, sec. treas.

NAMAO NEWS

Sichkaryk-Segaert Wedding

by Norma Crozier.
Congratulations to Mr. and Mrs. Dale James on the birth of daughter, Rachelle Suzanne, on July 24th, 1973. A sister for Darren and Crystal.

The August meeting of Namao U.C.W. will be held on August 8th, at 1:30 p.m. at the home of Mrs. Daisy Craig.

The Namao flower show and tea will be held in the community hall on Saturday, August 18th, from 1:30 to 4:00 p.m. The theme of the show is "Hawaii Calls". Sale of home baking will start at 2:00 p.m. Everyone is welcome. Flower entries must be in by 12:00 noon for judging.

Regular services will begin at Namao United Church on Sunday, August 5th, at 11:30 a.m., with Minister Rev. Harold Black.

Congratulations to Llew and Julie Stewart on the birth of a baby girl, Colleen on July 18th.

A travelling arts and crafts recreation caravan will be at Namao from August 12th - 18th. The program is for adults and children and is free of charge. Anyone interested is encouraged to come and take part. No preliminary registration is required.

The Namao Gymkhana Club will hold a gymkhana on August 12th at 1:00 p.m.

There will be a "Fun Gymkhana" on August 19th, at 1:00 p.m., combined with the annual north-south ball game and free weiner roast for all community league members. Guests may contribute and join the weiner roast. Races for the children will be held before the weiner roast. Everyone is invited to come out and join the fun.

Namao and Sunnyside ladies will host a shower in the community hall on August 14th, at 8:00 p.m., for Dorothy George, bride-elect.

Bon Accord Midgets Win Provincial Berth

Alberta's North Zone "Midget A" girls Fastball playoffs were hosted by Bon Accord on July 22nd. There were three teams including the Bon Accord team in the double knockout tournament with Edmonton Oil Molds and Sherbrooke. Both these teams were good but couldn't match Bon Accord's team spirit and determination which, along with good coaching, skill and good sportsmanship, helped them win the tournament.

The games began at 10:00 with Bon Accord playing Sherbrooke. In the second inning the game was stopped because of the rain but continued later on with Bon Accord defeating Sherbrooke 19 - 4.

of Brian Potter.

4-11 Dairy Club will hold their banquet on August 20 at 7:30 p.m. Guest speaker will be Governor General Grant MacEwan. Tickets may be obtained from members Berradette Huber, Chris Mickleson or by phoning Melvin Clark 729-3890.

Mr. and Mrs. John Crozier have had guests Mrs. Clare McKay and her granddaughter, Clare, visiting from Stratford, Ontario. Mrs. McKay is a cousin of Mr. Crozier.

The next game played was between the Edmonton Oil Molds and Sherbrooke. It was a very close game with Sherbrooke pulling away in the end to win 11-7.

Then it was Bon Accord's turn to play the Oil Molds a team which had provided tough competition at a past tournament. But the Bon Accord girls again played their hardest and beat them 16-9 knocking the Edmonton Oil Molds out of the tournament.

In the game following, Sherbrooke beat Bon Accord 11-5, which meant another game must be played as both teams now had one loss.

Bon Accord's spirit was neither dampened by their loss to Sherbrooke or by the drizzling rain. They went on to beat Sherbrooke 15-1 in the final game.

The names of the following players are in random order: Beth Lewis, Captain; Kim Pawluk, Sharon Draper, Karen Draper (pitcher and catcher); Barb Mulligan, Jackie Morris (pitcher); Debbie Uchacz (catcher); Lydia Uchacz, Debbie Caruthers, Debbie Kryskow, Faye Strawson, Penny Carleton, Debbie Rye.

And had it not been for the great coaching of Gall Critchley, the girls couldn't perhaps have done as well. So next weekend August 4-5, it is onward to Lethbridge to Midget "A" Girls Fastball Championship. Try to come down with the Bon Accord team will try bring another laurel back to Bon Accord.

by Norma Crozier.
In a beautiful summer wedding on June 30th at St. Matthews Roman Catholic Church in Edmonton, Gloria Segart, second daughter of Mrs. Joan Segart became the bride of Clifford Sichkaryk, oldest son of Mrs. Elizabeth Sichkaryk, all of Carbandale.

Given in marriage by her brother-in-law Mr. Ted Suranyi, the bride was lovely in her gown of peau-de-sae trimmed with lace and a detachable train. Her chapel length veil was held in place with a cap of flowers framing her face. She carried a bouquet of pink rosebuds.

The bride's attendants were Matron of Honor, Nicole Tange of Otterville, Ontario; cousin of the bride bridesmaids Debbie Gauthier, Sharon Cook and Darlene Segart, sister of the bride, Kim Bezola, niece of the groom was flower girl. They wore identical gowns of turquoise peau styled with empire waists and bows at the back with flowers in their hair and bouquets of blue and white carnations.

Attending the groom were his brothers, best man Lloyd, David, Ronald and Curtis. Ring bearer was Michael Suranyi nephew of the bride.

The mother of the bride chose a long gown of turquoise polyester, trimmed

Newlyweds Mr. and Mrs. Clifford Sichkaryk leave from St. Matthews Roman Catholic Church in Edmonton by flower-bedecked horse drawn carriage for their wedding reception at Delwood Community Hall.

with gold sequins, complemented by her corsage of pink carnations. Mrs. Sichkaryk's gown also fulllength was mauve peau trimmed with seed pearls and a corsage of white carnations.

The bride and groom drove away from the church in a beautifully decorated carriage driven by two hor-

ses to their reception and dance at the Delwood Community Hall. Master of ceremonies for the evening was Darryl Symington. The toast to the bride was proposed by Jim Dalziel. Out of town guests came from Ontario, Quebec and B. C. The happy couple are making their home in Edmonton.

MORINVILLE

Bon Voyage

by Liz McLeod.
Congratulations Darrel! This young man, son of Harold and Audrey Granger, has been rewarded for his scholastic achievement at St. Albert High School with a week's holiday in the east. Darrel, who lives at Riviere Qui Barre left by jet for Ottawa on July 28th. A cruise on the Ottawa River is planned and a day trip to Montreal where he'll see the side of Man and his World. Darrel will also tour the Parliament Buildings in Ottawa.

I'm told Darrel achieved a 98% standing in his class and hasn't missed a day at school in the last five years. The congratulations of the district go to this deserving young student.

Denise Kerckhof of Calahoo, with her Champion calf, Snowy is seen at left with her brother Jack Kerckhof and his Reserve Champion, and their father Marcel Kerckhof, at centre. Photo was taken at the Villeneuve 4-H Achievement Day Program.

News from Calahoo

by Liz McLeod.
This is the age of travel. Jackie Kerckhof, who was the lucky recipient of a trip to 4-H Club week at Olds recently, certainly enjoyed his round of meetings, out-

ings and parties for a week. Danes were held most every night so a good time was had by all.

Darrel Loyer from Calahoo and his friend Mike Nolan from Grand Falls New Brunswick left by plane for New Brunswick on July 23 on the student exchange program.

Mike really enjoyed his stay in Alberta at Clara Loyer's home and all the trips and tours and parties that rounded out those two weeks.

Now it's Darrel's turn to explore New Brunswick.

It sure is nice to see Russell Brown doing so well after being rushed to hospital for an appendectomy especially so when he'll soon be a bridegroom.

Joe and Mary Vollmer were visiting former neighbours of Green Willow District and it's nice to see Joe well again after his stay in the General Hospital.

Charlie Vader is progressing favorably since his stay in Royal Alex. Hospital. He

is presently staying in the city at his son Howard's home.

To Henry Kaup Sr. who is in General Hospital we all wish you well and speedy return to good health.

Mrs. H. Margaret Baron is convalescing after her stay in the Misericordia Hospital. Mrs. Baron's will and Judy Baron's mother.

Many folks have gone on holidays and Hector and Laura Boddez report a wonderful time at Folding Mountain, then on to Mietee, Jasper, Calgary and a visit to the zoo and coming home, stopping at Ledue to visit relatives before returning home.

Vic and Bertie Albrecht enjoyed their daughter and family, Leona and Eugene Augustin from Brunswick Maine home for ten days. Vincent and Leah Dawn certainly enjoyed their visit at Grampa and Grandpa's too.

John and Anna Carty enjoyed their family reunion with a family picnic dinner and evening entertainment and dance with all the relatives meeting in Clyde recently.

Mr. and Mrs. Jack Dalheim enjoyed a family reunion with the Parker families getting together.

Jack and Chris Zacharias Lori Sharon and Jeffrey just got away from the daily grind and enjoyed their holiday in the mountains.

It was a real thrill for Mr. and Mrs. Karakontis four children when they were a part of a party of seven who went to Toronto to participate in the native festival recently.

July 24th dawned bright and sunny for Calahoo Women's Institute members to do their Story of Wool at the Exhibits Building.

Mrs. H. Joyce Bergstrelser, Mr. Vance Berry and Mr. Vic Albrecht offered their services and their vehicles to take eleven members, to the city as they were scheduled to demonstrate the story of wool, but this year were not all-

Marcel and Theresa Kerckhof enjoyed last Sunday's visit to Alvin and Theresa D'Hoedt's in Westlock where they were invited for supper.

There's nothing like taking a drive into the country to visit old friends and neighbors. Malcolm McKenzie with Lawrence and Betty Macintyre had a pleasant day with the Mayles Kerr's and together they went for a drive around the block stopping at the Pete McLeod's and then off again.

Ferdinand and Elsa Lischewski certainly enjoyed Ferd's niece and family, Walter and Lydia Berg, Robert, Gary and Doris from Toronto who have been travelling, visiting relatives and went as far as Victoria B. C. They really enjoyed the west and the children were so happy on the farm. When they left Calahoo they were enroute home after three weeks of enjoyment.

Bill and Eleanor Reynolds two sons, Wade and Scott enjoyed a holiday with their aunt and uncle Vivian (Butch) and John Flaherty's at Dawson Creek.

The Flaherty family then came for a visit to Wilfred and Dolly Majeau's and brought Wade and Scott home and left their youngsters, Kevin, Lori Ann and Jo-Ann with grampa and grandpa for a spell.

Bernie and Ann Ross enjoyed the visit when they went to Ann's sister Helen and Hector Quintal's place for an evenings visit.

John and Addie Thatcher had Addie's sister Mrs. Olive Hensch from Surry B.C., for a week's visit. Ken and Sybil Thatcher had visitors from Montreal.

Mr. and Mrs. Jim Sharpe are enjoying Jim's niece, Miss Anne Sharpe from Scotland, who has come over here for a visit. I had the pleasure of meeting and chatting with Ann, and she really does like Alberta. We hope Ann will thoroughly enjoy her stay.

Calahoo WI does K-Days wool show

owed to bring the live sheep into the building.

A constant crowd were so interested in seeing wool spun by Betty Albrecht, with the spinning wheel, and Lena Bergstrelser with the carding machine, Tom Chreston and Emeila Schermdud took turns quilting. In fact each member took a hand in all the displays offered and for an added attraction we asked the proprietors of the yarn barn to show their wares. The broomstick lace captivated most people.

Many tried their hand at hooking the rug the W. I. is making for a raffle.

A Mrs. Stover of the Edmonton W. I. was at our table selling tickets on a tatted tablecloth that took four months to make.

All in all a most pleasant successful day was spent especially when Vi Makea and her daughter Cheryl made a point of coming to see us before they went to work, and seeing so many friends made the day full.

Mr. and Mrs. Bert Lee take great pleasure in announcing the forthcoming marriage of their daughter Maureen Jean to Bryan Reid

Barrett of Breton. Marriage to take place August 25 at Gibbons Emmanuel Church.

The winner of the Gibbons Recreation Boat and Motor draw on July 1st was Jeff Hutchings of Gibbons.

Miss Laurie Ross has arrived from Algeria to live with her grandparents Mr. and Mrs. Stan Mabbutt while taking her high school education.

The Lions Social will be held August 4th at the Community Hall.

New residents of Gibbons are Mr. and Mrs. Terry Sidor, Mr. and Mrs. Gary Dowling and Mr. and Mrs. Steve Konowalec.

Wayne Krupa president of the Teen Club of Gibbons is presenting Earl Toane chairman of the Agricultural Society with a cheque for \$50. to the arena fund, proceeds of their bingo held at the July 2nd picnic. Other board members pictured are Don Bevington and Don Rurak.

On July 2 at the Gibbons Sports day the Smith and Melnychuk children had a pony ride concession of which they donated all proceeds towards the Arena Fund. Pictured presenting the \$38.16 to the board members Earl Toane and Don Rurak are Tanya Smith, Laurel Melnychuk, Nydrle Melnychuk and Rhonda Smith.

Violet Auten feted on 70th birthday

Mrs. Violet Auten Feted

Friends and relatives called at the home of Mr. and Mrs. Clayton Crozier on Thursday evening, July 26th to honor Mrs. Violet Auten on the occasion of her 70th birthday. Born in Shuyler, Nebraska, she is the oldest child of Mr. and Mrs. Walter Shultz who came to Namao to settle on a farm in March, 1905, where her sister Edna and brothers Raymond and Leonard were born. In 1923 she married

Kenneth Crozier and went to live in the original Crozier home. They had four children, sons, Hugh and Clayton and daughter Evelyn. Mrs. Art Brimacombe and Leona Mrs. Warren Gauthier, fourteen grandchildren and two great grandchildren. Kenneth passed away in 1955 and Violet is now married to Mr. Harry Auten. They reside in Edmonton.

We all wish her many more "Happy Birthdays".

by Jean Smith

Residents of Sturgeon who didn't attend the Arts and Crafts Workshop at the Pembina Provincial Park this past week missed a very exciting week of learning new crafts, meeting and exchanging ideas with a large group of creative people and of course beautiful weather. Those attending the workshop came back knowledgeable in the ancient art of primitive pottery, taught by Mary Bergstrom

of Provost, one of the foremost primitive potters in Canada, willow and reed basketry taught by a pioneer resident, Mr. Fred Walaschuk of Evansburg, who learned the art as a child. Batik, tie dye, weaving oil painting, macrame, spinning dyeing wool with natural materials and photography were also taught. Mrs. Granger and her daughters Cheryl and Arloine of Morinville spent the week learning the skills of working with soft leather, taught by Mrs. Linda McFee of St. Albert. For the children special arts and craft classes, pottery, puppets and creative drama were offered geared to various age levels. There was even an nursery for the preschooler. A camp fire and sing-songs with productions by the "Puppeteers" and the creative drama group filled in the evenings.

Playground leaders from the permanent playgrounds at Bon Accord, Gibbons, Legal and Morinville attended

the workshop as part of their leadership training course. All playgrounds are open again this week and our leaders are more enthusiastic than ever and have many new ideas for their playgrounds. One of the new crafts to be offered soon will be soft leather. The playgrounds need a hand from time to time mothers, especially in matters concerning publicity. Please offer these deserving young people your help.

A memo for 1974. Set aside the third week in July and

attend the 1974 Arts and Crafts workshop at Pembina Provincial Park. A better family holiday could not be had anywhere, with an opportunity to learn new crafts that you haven't had time for, a chance to make new friends and just have an all around good time.

Jean Smith, Arts and Crafts Co-ordinator, Recreation Department, M. D. of Sturgeon, Morinville. Phone 424-6276 and 256-3321.

Horse Hill

There will be a Supervised Playground in the school grounds from Monday, August 6th to Saturday August 11th from 10 a.m. to 4 p.m. The program sponsored by the M. D. of Sturgeon. All ages of children are welcome and please bring lunch for noon time.

Any news items phone to Peggy Wenzel at 799-5783.

Gibbons Science grad On Russian Tour

On June 1, 1973 John Maurice Pasnak son of Mr. and Mrs. Walter Pasnak of the Gibbons area graduated from the University of Calgary receiving his Bachelor of Science degree in Mechanical Engineering. John completed his high school at Bon Accord. He is at present enjoying a planned tour in the U.S.S.R. and while in the Ukraine attended the Kiev State University taking literature and the Ukrainian language. Upon his return to Canada sometime in August he will be seeking employment in his profession.

Ground Equipment OK'd For Bertha Army Worms

Ground sprayers are recommended for bertha armyworm control on rapeseed crops in out-of-the-way areas where farmers may have difficulty in arranging aircraft spraying.

R. D. Dixon, head of the Alberta Plant Industry Division, reports that results obtained last summer from a field trial showed that ground spraying with Lannate did just as good, if not a better job of killing bertha army worms in rapeseed crops than did aerial spraying.

Carried out in the county of Athabasca under the direction of district agriculturist, Gary Berger and agricultural fieldman, Stanley Zayezlerski, the trial involved the use of a regular 200 - gallon field sprayer which had been specially adapted for this type of spraying by having two angle frosts with multiple holes attached to the back of the sprayer. These two frosts allowed the 40-foot boom to be raised 12 to 16 inches above the crop, or six to seven feet above the ground. Standard five gallon spray nozzles (#65,067), equipped with flat screens, were used to apply the Lannate. The spraying pressure was 40 pounds per square inch and the ground speed was four miles per hour.

The tractor used to pull the sprayer was equipped with a cab and 12-inch tires. To save time a second spray tank with a pumping capacity of 200 gallons in 15 minutes was used to haul water to the sprayer. The Lannate was applied at a rate of four ounces of active ingredient to four gallons of water per acre. At this rate,

This picture shows an ordinary field sprayer which has had two angle frosts with multiple holes attached to the back so that it can be used for spraying bertha armyworms in rapeseed crops.

one mixture (160 gallons of solution) was enough to treat 40 acres of crop.

In addition to the losses sustained from bertha armyworm damage, a five to six percent loss resulted from flattened crop. The two 12-inch tractor tires flattened two feet of crop every 40 feet (the length of the boom), which resulted in a five percent loss. Allowing for a two - foot overlap, the loss worked out to 5.3 percent across the field.

Prior to the above treatment, there were 40 to 100 bertha armyworms per square yard in the crop. Thirty-six hours after treatment 100 percent of the worms had been killed.

Facts About Sun Tans

by Pat Prymak, District Home Economist/Morinville Sun-Worshipping Wisdom

Once upon a time a sun tan was only for those who did work out of doors. The lady of leisure certainly took pains to protect her delicate complexion. Today it's just the opposite, and a gold-ten tan denotes time for being outside.

Common sense tells us not to stay out unprotected for too long, particularly at first. Ten to twenty minutes per side may be enough depending upon the sensitivity of your skin. Beware of the

time of day you choose. During the mid-day hours, the rays are too strong for babies, small children and people with fair or sensitive skin.

There are countless preparations on the market for those who need some protection. Check the labels before buying so you get the one that will be right for your skin type.

Tanning Aids - moisturize your skin, but contain no sun-burning chemicals. Strictly for those who can tolerate sun.

Sunscreening Preparations - contain chemicals that screen out burning rays while letting the tanning rays through. Para-amino-benzozate (PABA) and homomethyl-salicylate are common and effective sunscreens and must be listed on the label if present.

Sun-blocking agents - come in two categories. One type blocks all sun rays with an opaque cream, like zinc oxide. The other type contains huge amounts of PABA to prevent burning.

Be sure to follow instructions once you've chosen the preparation. If the label says "repeat after swimming" do so for effective protection.

How about the "instant tans"? Their effectiveness comes from a chemical that combines proteins in the outer layer of your skin to produce a tan coloration. The process usually takes three to five hours, won't wash off, but will wear off in time. But beware, this won't increase protection against burning like a true tan!

DEPT. OF AGRICULTURE -- 256-3351

Shortage Expected

The Alberta Department of Agriculture's Forage Crops supervisor, Larry Gareau, urges farmers in this province to salvage all the forage material they can this summer to alleviate an expected hay shortage next winter.

The impending shortage has resulted from the drought conditions this spring that have been experienced in all areas of the province except the Peace River region, and by a 30 percent increase in Alberta's cattle population over the last five years. In addition to these factors, there is already a pressing demand for hay products from feeders and processors outside the province.

Mr. Gareau recommends that farmers cut all forage material along roadsides, around sloughs, field headlands and on any other waste land, in view of present improved moisture conditions, he also suggests that they seed part of their summer fallow to greenfeed and cover crops, and that they consider harvesting crops with a lot of second growth and a low grain potential at the growth stage that will yield the highest total digestible nutrients.

Other factors which should be considered include cutting hay crops at the stage which will produce the maximum quality and quantity of feed and storing the hay under conditions that will preserve this high quality. The

use of grain, cereal straw and vegetable by-products as a substitute for hay and silage in winter rations as well as culling cattle herds early in the season are other ways in which this season's hay supply can be made to meet the increasing demand.

4-H Beef Champion

by W. O. Klatt, Distr. Ag. The Villeneuve 4-H Beef Club culminated a fine year by capturing the Grand Championship for 4-H beef calf at the recent 4-H show held in Edmonton.

Denise Kerchoff of Calahoo was the owner of the Grand Champion. We extend our congratulations to Denise for an excellent job.

The Leader of the Villeneuve 4-H Beef Club is Real Duerocher. The Assistant Leader is Marcel Kerchoff also father of Denise.

Trees Available

by W. O. Klatt, Distr. Ag. District Agriculturist. Trees are available for this fall's planting and for May 1974.

Trees for fall planting are white and Colorado spruces. These are approximately two feet high. Also available are container grown Russian Poplar Cuttings. These rooted cuttings are in full leaf and are available in multiples of 70. These trees will be available at the end of August, and will be for farmers only.

The tree list for the 1974 spring planting is available to farmers and acreage holders.

All planting areas must be summer - fallowed for one year and will be inspected prior to application approval.

Applications for these trees will be accepted in the District Agriculturist's office. The cut-off dates are: Fall planting (Spruce and Poplar) August 1, 1974 Spring planting, Nov. 1.

Housing Workshop

by W. O. Klatt, District Ag. A minimum number of farm people are requested to apply for the following workshop. This workshop is aimed at personnel interested in house construction. Dates: August 27 - 30th Place: Northern Alberta Institute of Technology - 11702 - 106 Street, Edmonton, Alberta.

Objectives: To bring together interested people to examine issues related to rural housing.

Areas of major concern: 1. Up-to-date technology regarding utilities, construction techniques and materials.

2. Housing alternatives. 3. Finances.

For Whom Intended: The Workshop will provide farm family representatives with an opportunity to learn, discuss and share their experiences and concerns with Engineering and Home Design Specialists, and people from other disciplines - working in the housing area.

Registration is limited to 10. Contact the Extension office in Morinville for more information. Ph. 256-3351.

BE A BLOOD DONOR

MORINVILLE MEMOS

by Flo McGinnis

Congratulations are in order to the Morinville Base ball Team who came out on top at the Legal Tournament during the 'Fete'. On Saturday, Morinville's first game was against Westlock and the final score was 5 - 2 for Morinville. Then on Sunday at 3:00 p.m., Morinville went up against Linaia and it was a top-notch game, especially for the crowd: Morinville brought in a total of eleven runs for a victory of 11 - 3. If the fans thought

that was a good game, we just hope they stayed to watch the finals at 6:00 p.m. when Morinville came through with a 12 - 8 win over Vimy. Tired, but happy, everyone agreed that it was an excellent tournament.

Mr. and Mrs. Leonard Myer have recently returned from a short trip to Yellowknife, enjoying a leisurely trip and seeing the countryside. They report that the dust is just as bad as ever,

sometimes making for unpleasant driving conditions

Marion and Larry Kramps with Frances and Tony Krauskopf motored to Kelowna for a week's holiday. They visited with Gail and Cliff Lackie, daughter of Pat and Joe Krauskopf (Morinville), and reported a very pleasant trip.

There will be a "Homecoming Party" for Sgt. Bob Ringrose on Friday August

3rd at the Legion Hall in Morinville. There will be food, refreshments and music, and even though you may not know Bob very well yet (he was posted away so soon after moving to Morinville) you are invited to come out and give him a real "Morinville Welcome Home".

Christine Vranas, her daughter, and her mother Mrs. Laura Kleser have arrived home after a trip that included Drumheller, Badlands, Calgary, Japanese Gardens at Lethbridge and St. Mary's Dam at Magrath. While in Calgary, they spent an enjoyable evening with Lorraine and Ken Pelletier. They also visited with the Dave Rooke family at Fort McLeod. Dave was formerly in charge of the Morinville R.C.M.P. detachment. Travelling to Invermere, B.C., the group visited with Mrs. Betty Steel (nee Kleser) and her family. The homeward trip was made by way of Radium Hot Springs and Banff.

Shirley Foster and Shirley Mikaluk are back at the job at the Summer Playground after a week at Pembina camp learning more Arts and Crafts etc. Speaking to them on the weekend they said they are all set for another full month of running the playground and are looking forward to seeing all the youngsters again.

The weaving display shown in photo is an example of the types of heritage crafts which the senior citizens of M. D. of Sturgeon will be able to learn about while the Arts and Crafts Caravan is in Morinville from August 6th to 24th. Interested seniors should plan to attend the opening day Open House, when individuals could decide what courses would have special interest for them.

Goldenagers Meet In Gazebo

by Liz McLeod

What better way to relax and enjoy your neighbor for an evening of fun and games than at the Goldenage Club of Calahoo.

Twenty eight members attended on July 28th including John and Mary LaFleur,

Mrs. Mildred Palmer and Mrs. Westerlund from Onoway and Mr. and Mrs. Oscar Campeau formerly of Calahoo.

In the short business session members were informed of one vacancy for the Southern Alberta tour Aug.

6th and the Recreation Dept. would welcome a non member to have all seats used on the bus.

Calahoo's members who have also joined Onoway's Club will go on a picnic to Lac La Nonne on July 31st with Onoway.

Alex, Myles, Madeline, Elsa Toni and Liz were lured to the stands to watch the game between Calahoo Chiefs and Fairhaven before going to the meeting. A good crowd watched Calahoo win 15-7 but both teams played well.

Also noted the senior girls team have a uniform Lucille Moellman looks real sharp in hers. The junior girls with Myles Kerr coaching receive the cup in the league play, but couldn't play the one game because of the accidental death of one of Leg-al's players. A real upsetting tragedy all around.

Congratulations to the prize winners of the belated raffle draw for the Calahoo Parish picnic, made recently by Father McRae and here are the winners; 1st prize \$50 went to young Miss Mary Kolesar, Calahoo; 2nd prize \$10 went to Mrs. Honnoreana Brennels, Morinville; 3rd prize \$5 Mr. Oscar Campeau, 101 - 13245 - 109 Street, Edmonton.

Shower honors Hazel Dobyanski

Wedding bells will soon ring for Hazel Dobyanski, who was honored at a miscellaneous shower at Mrs. Fred Brown's home on July 22nd, with more than thirty relatives, neighbors and friends present.

Novelty bingo was played making for much amusement after which the gifts were brought to the bride and her attendants for opening. A hat was made out of the bows, which the bride modelled. Hazel made a wish before each gift was opened. Many weren't able to be present but sent their gifts which were gratefully appreciated.

Seated at the honored table were Russel's mother, Madeline Brown, grandmother, Mrs. Felina Borle; Cherilynne Brown, Mrs. G. Marlene Brown; Hazel, Hazel's twin sister Hester, mother,

Mrs. Joseph Dobyanski; Hazel's aunt and son just over from Holland, Mrs. Ann Frans and Banand.

Gracing the table was a lovely cake complete with a bride and groom and decorated with live purple and yellow pansies made by Mary Dalheim.

Lunch and happy visiting was enjoyed by all present and Hazel graciously thanked everyone for the lovely gifts.

Twos nice to see Cherilynne introduce Hazel to all present who she didn't know and she in turn thanked them personally, and also the hostesses, Sylvia Sabourin, Marlene Brown, Elaine L'Heureux and Liz McLeod with Cherilynne and Lorna Brown and Donna Carty assisting.

After hiring the young man, the employer gave him a broom. "Your first job," he said, "will be to sweep out the office."

"But," the youth protested "I'm a college graduate."

"Very well," replied the boss, "hand me the broom, and I'll show you how."

This vision of physical fitness is frequently seen in public places in and around St. Albert, including the R.I. Rec. Centre. One of the captivating features of this specimen is the protruding waistline...another is the free-flowing locks caressing the bewigged chin and jowls. The first reader of the Gazette to identify this character will be awarded a crisp \$2 bill. There is a catch however, and it's simply that there is a time limit on the 'guess-who contest', in order to give all our readers in town and in the rural areas a chance at the \$2 prize. Therefore, phone calls for the contest will only be accepted Tuesday, August 7th from 9 a.m. until 5 a.m. That should give many of you an opportunity to call the Gazette 459-7001 and participate in the 'guess-who contest'.

LEGAL NOTICE

I, HENRY GAUTHIER, am no longer responsible for debts incurred by my wife VICTORIA GAUTHIER, having left my bed and board APRIL 7, 1973. dated this 25th day of July, 1973.

FUNNY BIRD

Not funny looking maybe but functional. Built for work. His natural habitat is high grass, weeds and brush. He moves down into blades of grass or 1-3/8" saplings with his 36" or 44" tail. He goes over rough terrain safer, faster, easier and with a longer proven life than other birds.

You see more JARF's in the yards and on the grounds of America than any other bird. In fact on JARF's built reward you with dedicated service.

THE 'ST. ALBERT DRIVE-IN' REQUIRES
WOMEN 18 YEARS OF AGE OR OVER TO
WORK IN CONCESSIONS.
APPLY BY PHONING 459-6833.
(KEN ERMANTROUT, MANAGER)

This giant maze of steel girders, trusses and pillars will soon become a modern automotive and marine sales and service complex located on The St. Albert Trail immediately north of the Gulf Service Station. The 180 ft. x 160 ft. structure will house David Datsun Ltd., and Tercier Marine Ltd. Dave Symalak and Edward Tercier, both of Bonnyville, Alberta will operate their respective businesses out of the same building and will share a common display and reception centre. Edward Tercier will occupy the south portion of the building with his marine land while Dave Symalak will occupy the northern portion of the building with his Datsun dealership. The two commercial dealerships, plus service departments and sales will employ a staff of between 25 and 30 persons. Opening date has not been announced yet.

"Let me know if I hit a nerve."

Ron Nelson Appointed To Marketing Council

RON J. NELSEN.

The Honorable Hugh Horner, deputy premier and minister of agriculture, has announced the appointment of Ron J. Nelson of Namao to the Agricultural Products Marketing Council.

Mr. Nelson's appointment is designed to bring a thorough understanding of the problems facing hog producers in Alberta to the deliberations of the council. The Agricultural Products Marketing Council is the

body that administers the Marketing of Agricultural Products. Act under which producer marketing boards and commissions are established in Alberta. Mr. Nelson's appointment will also ensure a broad representation of producers on the council. There are now four members of the council who are producers.

Mr. Nelson is a well-known hog producer and has been active in the Western Hog Grower's Association. With his father and brother, he operates a modern 80-

sow farrow-to-finish enterprise at Namao. All the feed grain needed by this enterprise comes from the family farm in the Sturgeon River Valley.

Mr. Nelson obtained his degree in Mechanical Engineering from the University of British Columbia in 1959. Before settling at Namao in 1963, he worked for several engineering firms and was a professional singer with the CBC, the Montreal Opera Guild, the Stratford Festival and other groups.
